

Map showing the location of an electromagnetic field source (blue circle with a cross) and the measurement points (green dots). The map includes a legend, a north arrow, and a scale bar. The legend identifies the symbols for the measurement point, the sector antenna, the parabolic antenna, and the electromagnetic field source. The map shows the source is located near a road and a building, with measurement points distributed around it. The scale is 1:3500.

Legenda

- Pion pomiarowy
- Antena sektorowa
- Antena paraboliczna
- Instalacja będąca źródłem pola elektromagnetycznego
